Here is how you do it:

❶ Sign at the top of the form. ❷ Place the proof of identity picture-side up in the box below and make a copy. Make sure that both picture and text are clear and legible. The proof of identity must not be expired. ❸ Two witnesses must confirm the proof of identity by filling in all the fields below. Close relatives such as spouse/partner, children, siblings and parents may not act as witnesses.

Place proof of identity in the box below

The following are accepted as valid proof of identity: a valid passport (temporary passports are not accepted), a valid government-issued national ID card, or a valid photocard driving license.
